Laminate Storage

AIS

CALIBRATE SERIES LAMINATE STORAGE

Personal storage that effortlessly integrates with all AIS systems.

Inspiration comes easily with the Calibrate Series Storage elements. Its extensive statement of line, broad finish selection, and choice of pulls mean there's something for practically everyone.

AIS quality and details make an impact and make the difference. With robust construction, tight tolerances, precision ball bearings and heavy weight shelf supports, the Calibrate Series will perform year after year. And with dozens of design options — including elevated feet — it's easy to support the widest variety of storage needs. Explore the choices, they're all yours.

L SERIES STEEL STORAGE

Exceptional Quality and Value

L Series Storage can easily integrate with any AIS desking or systems solutions. Multiple options for storage and organization make it easy to meet the needs of many users.

Performance Details

- Lateral files accommodate letter, A4 and legal-sized filing and include front-to-back conversion bars for each drawer.
- Standard side-to-side hanging bars and optional front-to-back hanging rails ensure maximum filing capacity.
- 2-Drawer lateral files have overlay front. 3, 4 and 5-Drawer lateral files have picture frame fronts.
- File drawers have full-depth, smooth riding ball bearing suspensions.
- Lateral files may be wrapped in laminate as an option. (Single or double deep and two or three high.)
- All lateral files are standard with locks.
- 5-Drawer lateral files feature a recessed flipper door on the top drawer with a roll-out file shelf.
- 1" leveling glides provide adjustment of files on uneven floors.
- 2-Drawer lateral files standard without top for use under worksurface. Available with laminate top for small upcharge.
