

— Intelli Beam™ with Foli Height Adjustable Tables

Intelli Beam brings forward a new era of open plan environments. The elevated beam combines the capability of panel systems with the style demanded in today's work and education spaces. Intelli Beam is driven by smart, modular design that powers individual workspaces and collaborative areas.

Low key, high power. Now in stock. — 

18 x 60 Starter Extension Kit
Starter fabric extension kits include a tackable fabric panel and appropriate hardware to "stack-on" to existing starter kits (IBBSU2460S). The extension kit adds to the height of the beam, providing a greater sense of privacy, space division and some sounds absorption.

18 x 60 Add-On Extension Kit
Add-On fabric extension kits include a tackable fabric panel and appropriate hardware to "stack-on" to existing add-on kits (IBBAT2460S). The extension kit adds to the height of the beam, providing a greater sense of privacy, space division and some sounds absorption.

Intelli Beam includes two knockouts for duplexes and one knockout for data.

The basefeed powers 4-circuits in a 2+2 electrical configuration (2 utility circuits and 2 dedicated circuits). This must be specified with an IBBSU2460S – this will then power the starter kit and any add-on kit connected to it. The base feed must be hardwired to the building power supply by a licensed electrician.

24 x 60 Add-On Beam Kit
Add-on kits includes all the pieces required to expand upon the starter kit. Add one additional add-on kit for a 4-pack, two add-on kits for a 6-pack or three for an 8-pack. Add-on kits must be used with one starter kit. Specify duplexes separately.

T-leg with adjustable glides

24 x 60 Starter Beam Kit
The starter kit includes everything you need to create a 2-person workstation (acts as a freestanding piece), or to start a run of more workstations. Just specify duplexes and a basefeed separately to get up and running.

List price as shown **\$4837**

List price as shown **\$5532**

List price as shown **\$10076**

INstock components

IBBSU2460S
24 x 60 Starter Beam Kit
Includes Intelli Beam raceway, vertical base feed cover, power distribution housing, 17" electrical jumper cable and (2) end of run trims.
\$1082

IBBAT2460S
24 x 60 Add-On Beam Kit
Includes Intelli Beam raceway, power distribution housing and 17" electrical jumper cable.
\$757

IBSFE1860S
18 x 60 Starter Extension Kit
Fabric starter extension kit attaches on top of a starter beam kit of the same width. Must be used in conjunction with starter beam kits.
\$564

IBAFE1860S
18 x 60 Add-On Extension Kit
Fabric add-on extension kit attaches on top of an add-on beam kit of the same width. Must be used in conjunction with add-on beam kits.
\$443

IBE8RDK1A A pack of four duplexes (two Circuit 1 duplexes and two Circuit A duplexes). One pack will provide duplexes for one starter beam kit OR one add-on beam kit. Duplexes snap into the power distribution housing within the Intelli Beam raceway.

IBE8RF3PBS
Base Feed
Provides single power entry from floor or wall located building power supply. Must be hardwired to the building power supply by a licensed electrician.
\$420

IBE8RDK2B A pack of four duplexes (two Circuit 2 duplexes and two Circuit B duplexes). One pack will provide duplexes for one starter beam kit OR one add-on beam kit. Duplexes snap into the power distribution housing within the Intelli Beam raceway.

CONSTRUCTION & FINISHES

- Steel construction
- Silver Finish
- Big tube on top

ADJUSTMENTS & SIZING

- Digital display, 2 programmable positions
- 26.75" - 44.75" (excludes surface)
- Accommodates 24" and 30" deep surfaces
- Accommodates 48" to 72" width surfaces
- Height adjustment speed of 1.3"/second
- Leg diameter: 3.15" x 2.35"
- Dual Motor
- 2 Legs, dual storage

CAPACITY

- Lifting capacity: 220 lbs.

LEAD TIME

- INstock nationally

POWER CONSUMPTION

- Active: 240W
- Standby: 0.2W

SAFETY

- Anti-collision safety feature
- Upper and lower limit settings

PHATLK460 3rd leg kit also available
INstock - for more information visit
